ENKHMUNKH ENKHBAYAR

Ulaanbaatar, MN | (976) 9474-3140 | enkhmunkh.enkhbyr@gmail.com

EDUCATION

School No.1 of Ulaanbaatar   June 2022
Overall GPA: 4.0

EXPERIENCE

Volunteer Coding Instructor, **Nest Academy**   June 2021 – September 2021
- Taught a class of 24 students the basics of web development (HTML, CSS, JS, and frameworks)
- Mentored a team of students to create a fully functional website

Master Teacher, **Pinecone Academy**   February 2022 – October 2023
- Communicated daily with trading desks to produce charts and graphs for weekly strategy meetings
- Taught advanced-level (MERN stack) and individually mentored 100+ students
- Represented the academy for open days and taught "Intro to Web Development" - reached over 1000+ customers
- Created curriculum to develop students' interest in various coding fields and languages

Full Stack Developer, **Pinecone Studio LLC**   February 2022 – October 2023
- Handyman Service: Built Tax Creator and Mailer; Developed Admin webpage
- RideShare: Designed the application; Integrated real-time tracking; Developed front-end with ReactNative; Started as a one-man team and got 3 employees under for further development after initial design and integration; Got promoted after successful launch within Mongolian largest group company MCS with +12000 employees
- Pinecone.mn: Integrated self-learned advanced-level web animations (Locomotive Scroll, Framer); Built home and other front-end pages
- Alumni Portfolio: Created PDF file reader; Implemented searchable student list and dynamic student page front-end
- HRMS: Integrated organization chart; Created user role management system

LEADERSHIP ACTIVITIES

Co-founder, Lead Developer, and Designer, **Tuuri.mn**   September 2021 – Present
- Organized a team of 6 to create the first interactive Mongolian history website to revive Mongolian history; Reached over 2000 individuals; Led 2 developers to create and integrate animations and databases; Cooperated

Co-Founder and Lead Developer, **Vici.Mag**   January 2021 – December 2022
- Helped 1000+ students struggling with college apps by providing blogs, interviews, and articles; Integrated English/Mongolian translations, Search Engine Optimization, Blog pagination, Blog page, Home page, and Info page

Lead Developer, **WeCare and HelloLady application**   January 2022 – June 2022
- Developed two applications within the healthcare industry; WeCare - A blood donation application to further promote blood donation and make its process easier; HelloLady - A women's period tracker and healthcare application made to promote a healthy life;
- Personally researched women's period dates to calculate and predict future ovulation and period.

- Presented the following applications to an audience of 1000+ people at a local event.

Lead Developer, **Knowshare**   April 2021 – July 2021

- Led a team of 5 developers to create a collaborative social platform to help students do their homework. After its initial launch, our project was featured on a local news page (Ikon News) with more than 600,000 likes on Facebook.
